March 9, 2009

Dear Board Members:

In these uncertain economic times, people are searching for quality and value. Locally grown food available at the Amherst Farmers' Market satisfies both these desires. And more!

Therefore, in preparation for the upcoming Amherst Farmers' Market, I respectfully request the use of the Spring Street parking lot. The Market will be open each Saturday from 7:00 a.m. to 1:30 p.m. from May 2nd to November 21st.

To insure cooperation with the Police Department and the Fire Department, the Market will have on site management during hours of operation.

Regarding liability insurance, the Market has a two million dollar liability policy.

On behalf of farmers at the market I would like to express our appreciation to the Town of Amherst for assisting the farmers of the region. This support helps keep farming a viable occupation in the valley

I can be contacted at P.O. Box 203, Amherst, MA. or at (413)-786-2335.

Sincerely,

John P. Spinetti  
President  
Amherst Farmers' Market Committee

The Department of Public Works recommends approval of the permit with the understanding that late summer and early fall work will begin on Spring St. to include work in the Spring Street parking lot. The work in the Spring Street lot will continue into the summer of 2010.
